

MILES FOR HOPE - Walk it! Run it! Cure it!
Anywhere, USA
October 1st – October 31st

Dear Friends and Supporters,

It's no secret, we're all experiencing unprecedented times right now due to COVID-19.

One area that's been especially hard-hit is the families relying on local charities and non-profits that provide the essential resources needed to get them through their child's cancer journey. With many in-person galas and fundraising events canceled the need has never been greater.

HOPE is not canceled! There is still a way you can get involved as well as help support Sarah's Fight for Hope.

We are excited to announce that for the first time, we are hosting a virtual 1K, 5K & 10K race. *What does it mean to go virtual?* A virtual race is a race that can be run (or walked) from any location you choose. There are no geographical barriers. You get to run your race at your own pace and time it yourself, completing your virtual run or walk on any day between October 1st and October 31st. You will then have the option of uploading your results to our page.

Ways to Help – We would like to invite you to be a part of this event not only as a race participant but with your generous support through sponsorship. Your generosity not only shows support of pediatric cancer awareness, but your gift enables our foundation to provide the monetary support necessary to many families struggling with medical and household bills.

Another way you can help is by sharing our virtual event with co-workers, friends, and family! Anyone can participate across the US. Encourage employees to run with your business' shirt and post their pictures on our event Facebook page where they may be eligible to win in one of our contest categories. Let's celebrate together.

Enclosed, you will find information about sponsorship opportunities and participation options. Should you have any further questions, please do not hesitate to contact us at info@sarahsfightforhope.org. Sarah's Fight for Hope Foundation thanks you for your continued support. We hope to (virtually!) see you at our virtual run!

Sincerely,

Board of Directors & Planning Committee
Sarah's Fight for Hope Foundation
